ST. FRANCIS KIDS WORLD

(An ideal pre-school for the Millennium child)

St. Francis Kids World is a pre-school established and managed by the society of Franciscan brothers. It is a gateway to St. Francis School, and it has always maintained its separate identity.

Nurturing young minds with a holistic approach

Children are regarded as the gift of God. Hence, every child has inherent qualities which need to be recognized and encourage further. The Kids World creates an environment which builds up the self esteem in a child thereby acting as an armour against the challenges of the world. The attempt is to make the pre-school period the most exciting one in child's life, creating a positive attitude towards school in general. Thus, we strive hard to provide to a large extent, a homely atmosphere to help the child develop at his/her own pace.

Fun Based Learning

A complete Non-Pressure Zone is created whereby the child feels free to actively participate in all the activities and complete the tasks assigned in the best possible manner.

Prayer of St. Francis of Assisi (Prayer for Peace)

Lord, make me an instrument of your peace,
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.

O divine Master, grant that I may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved as to love.

For it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.
